

Roasted Radishes Recipe #287888

I was struggling for side dishes while in the "strict" phase of low carbing it....figured most veggies seem to mellow with roasting why not radishes.....only problem was DS kept eating them so I had to hide them in a container labeled "squash" (he would NEVER open that! LOL). I also put them out as part of an appetizer buffet on a platter with cauliflower that I cooked the same way....they disappeared! by Elliebet

2. Toss radishes in small bowl with olive oil.
